Portfolio

Started a programming journey over a year ago and enjoy challenges, how systems work and exciting about technology stacks. Motivated and looking for an opportunity to improve my skills and to make a positive impact on the web .
I enjoy to collaborate with people and bring complex products into life, able to quickly build trust and collaborative working relationships. I like to baking cakes, working out and travelling.

HTML	CSS	Javascript	Reactjs	Nodejs	Expressjs	Git

Independent	Proactive	Energetic	Good communicator
